There Are Moments in Every Life When a Bridge Appears....

***Bridge Between Worlds:
Extraordinary Experiences That Changed Lives***

By Dan Millman and Doug Childers

“Illuminating testimony to the presence of miracles in our everyday lives. A fascinating read — a gift to us all.” — **Marianne Williamson, author of *A Return to Love***

“The key to almost all the stories is not necessarily the spectacular nature of the miracle but its life-changing effect.” — ***Publishers Weekly***

Touched early in his life by an extraordinary spiritual experience, Dan Millman has gone on to write such spiritual classics *Way of the Peaceful Warrior* and *The Life You Were Born to Live*. In these pages, Millman and coauthor Doug Childers collect detailed accounts of actual miraculous events — some well known, others known to only a few. From inspiring stories related by ordinary people to the mystical experiences of Carl Jung and Walt Whitman, this book shows that miracles exist for all to see if only we open our eyes. The miracle may not always lie in the event itself but rather in its life-changing effects. *Bridge Between Worlds: Extraordinary Experiences That Changed Lives* is a stirring collection of stories of healing and miracles received by people past and present as well as the amazing outcomes of these events.
