## IN THE HEART OF THE WORLD

### *New Book Offers Thoughts, Stories & Prayers from Mother Teresa*

The spirit of one of the most revered figures of the twentieth century is revealed in the paperback edition of *In the Heart of the World: Thoughts, Stories, and Prayers*. This unique blend of memories, reflections, and prayers not only reveals what Mother Teresa believed and why, it follows her adventures to Calcutta, Australia, and New York as she embodies these beliefs.

Mother Teresa shares thoughts on silence, joy, and sacrifice; stories about the simple acts that can ameliorate the most desperate suffering; and prayers of reverence, gratitude, and humility. With simple, unadorned directness, warmth, and even humor, she illuminates the sacred in the ordinary tasks of everyday living and shows the extraordinary good one woman — and any person — can do when guided by love and empathy.

With humor, compassion, and lyrical clarity, Mother Teresa illuminates the sacred in the intimate everyday tasks of living. *In the Heart of the World* bears indisputable testimony to the influence of a soul wholly dedicated — with a heart of love — to a life of service. Through this book, Mother Teresa inspires us all to reach out with love and compassion to others, and to work together for world peace.

“I must be willing to give whatever it takes to do good to others,” she writes. “This requires that I be willing to give until it hurts. Otherwise, there is no true love in me and I bring injustice, not peace, to those around me.”
